

CHILWELL CROFT ACADEMY - SPORTS PREMIUM

Statement

Primary School Sport premium is a ring fenced funding allocated directly to primary schools across England. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of PE and school sport for all their children.

The Government's PE and School Sport Vision is supported in by national partners Sport England, afPE, Youth Sport Trust and County Sports Partnerships.

"A measurable and sustained improvement in school PE and sport, underpinned by high-quality teaching that increases participation levels in physical activity, and leads to healthier pupils who are more engaged across the whole curriculum. This will be our legacy to the London 2012 Olympic and Paralympic Games. CSPs play a key role in providing support to schools in their use of the primary PE and sport premium"

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Possible uses for the funding include:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE and sport
- New or additional Change4Life sport clubs
- Paying for professional development opportunities in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions, or increasing participation in the school games
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sport clubs and holiday clubs.

Funding allocation

The Chancellor of the Exchequer has revealed that the Sport Premium will now be extended into the academic year 2015/2016. As a school we receive a lump sum of £8,000 plus £ 5 per eligible child.

Allocation for the academic year 2015/2016 are calculated using the number of pupils in Years 1 to 6 and those age 5 in Reception, as recorded at the January 2015 Census.

Funding outcomes

Primary PE Sport Grant Awarded		
Total number of pupils on roll		418
Lump sum		£8,000
Additional SG received		£1,661
Total amount of PPSG expected to receive		£9,661
